

## GRANT FOR RESEARCHERS FROM PRACTICE FIELD

### 3 x \$ 1,000 available

#### GOAL

This grant is offered to CICC's regular researchers, regardless of their university but collaborating with **practice field**, to recruit a postgraduate student in research projects designed by the researcher in question. This program will allow researchers collaborating with practice field to benefit the support of young researchers paid by the CICC and to better identify the needs of the Center's partner organizations.

#### REQUIREMENTS

- Be a CICC's regular researcher who works with practice field;
- Present a research project (In development or early stages);
- The project submitted must include:
  - One-page explanation page of the project;
  - Name(s) of the organization(s) involved;
  - Name(s) of the partner(s);
  - Name of the student to be recruited (if possible);
  - A budget.
- Submit a copy of your report to CICC, following the realization of your project.

#### EVALUATION CRITERIA

- Evaluation will be based on the quality and feasibility of the project;

#### PRECISION

- CICC can help the candidates of this grant to recruit students in a Ph.D. program.

#### DEADLINE

- Applications should be sent in one Pdf file by email to [bourses-contrats@cicc.umontreal.ca](mailto:bourses-contrats@cicc.umontreal.ca);
- Grants will be awarded on a first come, first served basis, based on the availability of annual funds for the support of CICC's regular researchers.

**Offer available from
